Professional Summary

A third-year Computer Science student and proven leader as the college Technical Head. Passionate about building practical applications, with hands-on project experience in machine learning and full-stack web development. Eager to contribute to a challenging internship in the computer field.

Education

- **Bachelor of Engineering**, Computer Science & Engineering
  Yashwantrao Bhonsale Institute of Technology
  Mumbai University
  Expected Graduation: May 2027
  Aggregate CGPA: 8.81/10
  2023 – Present

- **HSC**
  Dadar Pioneer College, Mumbai
  Percentage: 56.67%
  2021 – 2023

- **ICSE**
  Diamond Jubilee High School, Mumbai
  Percentage: 90.80%
  2009-2021

Technical Skills

- **Programming Languages:** Python, Java, C

- **Web Technologies:** React, Node.js, JavaScript, PHP, HTML, CSS

- **Databases:** MySQL, MongoDB, Oracle

- **Tools & Platforms:** Git, GitHub, Power BI, VS Code, Linux

- **Core Concepts:** Data Structures, Algorithms, DBMS, Operating Systems, Software Engineering

Professional Experience

- **Technical Head** | Yashwantrao Bhonsale Institute of Technology

February 2025 – Present

- Spearheaded the planning and execution of college-wide technical events, including a 30-hour hackathon and Competitive coding competitions, engaging over 150+ students.

- Lead the college's technical committee, mentoring junior members and managing the technical infrastructure for all major campus events.

- Demonstrated versatile management skills by coordinating logistics and operations for both technical and non-technical events, ensuring their successful execution.

➢ **Power BI Intern** | Microsoft Elevate (AICTE)
February 2026 – March 2026

- Completed a 4-week internship along with a 20-hour certified course on Power BI for Business Applications.
- Designed interactive dashboards and reports to visualize business data effectively.
- Gained hands-on experience in data modelling, data cleaning, and DAX functions.
- Worked on transforming raw datasets into meaningful insights for decision-making.
- Developed dashboards analyzing KPIs such as sales, revenue trends, and performance metrics.

Projects

➢ **Sign Language Detection using Hand Gestures**
- Developed a real-time sign language detection system using computer vision and machine learning techniques.
- Processed live video streams using OpenCV to detect and classify hand gestures in real-time.
- Trained and evaluated a machine learning model (Random Forest / YOLO-based pipeline) to achieve accurate gesture classification.
- Achieved ~85–95% accuracy on test dataset.
- Technologies: Python, OpenCV, MediaPipe, Scikit-learn, YOLO
- GitHub: github.com/OmR2607/Hand-Sign-language.

➢ **Hostel Management Website**
- Designed and built a full-stack web application to automate and manage college hostel operations.
- Implemented features for real-time room availability, student pre-booking, online fee payment submission, and invoice generation.
- Technologies: PHP, JavaScript, MySQL, Apache, HTML, CSS
- GitHub: github.com/OmR2607/Hostel-Management

➢ **Personal Portfolio Website**
- Developed and deployed a fully responsive personal portfolio to showcase academic projects and technical skills.
- Awarded "Best Portfolio" by the workshop Instructor and college Principal for outstanding design and implementation.
- Technologies: HTML, CSS, Bootstrap, JavaScript
- Live Site: omretharekar26.netlify.app

Achievements and Awards

- **Project Competition** (Winner): Won 2nd Prize for a "Wireless Transmission using Tesla Coil" project at an inter-college technical competition.
- **Technical Award** (Winner): Awarded "Best Portfolio" in a college-wide Full Stack Development workshop (2024).
- **Leadership & Teamwork** (Captain): Captained the college Volleyball team, leading them to 1st place in three consecutive annual tournaments (2024, 2025, 2026).
- **Academic Competition** (Winner): Secured 1st Prize in "Calci-War," a college-level rapid problem-solving competition.

Certifications

Python for Data Science (NPTEL)

Artificial Intelligence and Machine Learning (NPTEL)

MERN Full Stack Development

IBM Data Analyst Professional Certificate

Power BI – For Business Applications (20 Hours) - Microsoft Elevate (AICTE)
